TO: Board of Directors

FROM: William L. Steele

SUBJECT: Report for November 1993

Staff

No changes.

Facilities

Our humidity control system continues to work without breakdown.

Activities

We are about ninety percent of the way toward completion of the thirty-sixth pickup. Our target is still to finish testing and send out a draft report by mid-January 1994.

At this time, all but three of seven companies have responded to the request for brand information. More will probably be heard from by Wednesday.
